Members to Pay for Property Be fore Making Definite Plans for Building.

LAST EDITION

The unanimous opinion at the Odd Fellows meeting last night was for mak-ing final payment on the lot at Tenth and Walnut streets before making any definite plans for the building. The members discussed the assessment and donation plan for raising the money for the lot and were unanimous for the dona-

tion plan.

"The first thing to do," George S. Starrett, secretary of the lodge, said this morning, "is to pay for the lot; then it will be easy to raise the money for the building." He suggested the possibility that construction on the building

INDIANAPOLIS, Feb. 14.—Threats of a nation-wide coal strike beginning April I unless mine owners continue the present wage scale in the bituminous fields came in the United Mine Workers convention here today.

Need for a new building was made plain last night, he said, when 200 members, less than a third of the member ship, packed the lodge room. The building, besides providing lodge room, will be built to accommodate two stores on the second floor. After declaring for a continuation of the present scale the wage committee, reporting to the convention, said:

"In the event no agreement is reached floor will be used for meetings of the Navil are declaring for a continuation of the first floor. On the second floor plans will probably provide for ten appartments of four rooms each. The third floor will be used for meetings of the
